ELECTION NEWS SEEMS
PLENTIFUL IN TEMPE

Array of Candidates for Nomination
at Primaries, April 24th

From all appearances there will be
many elections in Tempe of any
consequence and that will be the
primary. The reasons for this belief
lie in the fact that as yet there is
but one political party in the field
for nomination of their candidates
and on this ticket there appears the
entire list of aspirants for city of-
fices. On Wednesday and Thursday
evening of this week, two mass meet-
ings of interested citizens were held
and at these two meetings a ticket
was made up and appears under the
same name as the ticket published a
few days ago. Both forces are
combined under the "citizens" party
and this is the only factor in the
race.

At the recent caucus four new men
were put in the race for councilmen.
They include the present council, H.
W. Miller, Frank Fogal, J. T. Birch-
ett, Theo. Goodwin, Geo. Campion,
and D. G. Buck. Already Birchett
and Goodwin have been endorsed by
the first caucus and are in the race.
This now makes a total of eleven
men out for the city council. The
remaining five are J. L. Felton, G. M.
Friswell, W. G. DeVore, W. N. Win-
ges and Wm. M. Goodwin.

Up to date there are two men run-
ning on the Citizens ticket for town
clerk, these being L. E. Pafford and
Howard Brown.

For marshal there appears four
names so far, F. M. Hudlow, Geo.
Stallie, M. C. Browning and C. B.
Turner, all of the same political
party.

As soon as the primaries are passed
on April 24th, there will be nothing
left for the final election but to go
through the formality of casting a
vote for the ticket chosen.

DANCE TONIGHT

In the Cosmopolitan hall tonight
the "Happy Thirties" club will give
another of their popular dances. Good
music has been engaged and the club
is looking forward to a good time.

FROM WICKENBURG

John Curry, formerly of this place
but now of Wickenburg, left last
evening for his home after spending
several days in the valley on busi-
ness. Mr. Curry is now well located
in his new home and expects to re-
main in the mining town for some
time to come.

A SLIGHT MISTAKE

A slight mistake appeared in yester-
day morning's paper due to a
misunderstanding on the part of the
local representative. It was stated
that the local registration officer, L.
E. Pafford, was ready to register all
voters but such is not the case. The
law calls for registration of voters to
start not earlier than May 1st, a
month hence.

However, there is a way around
the difficulty for those desirous of
voting in the primaries, and not yet
registered. The voter may simply
appear at the polls on the set date
and before the election board swear
his vote, and he will be granted the
privilege of casting his ballot. This
will take the place of registration
until after the first of May.

On Face, Itching and Irritation
Dreadful. Like Red Sores. Used
Cuticura Soap and Ointment.
Cure Complete In a Month.

445 West 3rd St., Los Angeles, Cal.—"My
face was covered with pimples and of course
was badly disfigured. The itching sensation
was dreadful. The pimples were like
blistered sores and they festered. Sometimes
sores would come from scratching them and
the irritation was dreadful. The eczema
lasted for about three months and I was
very worried.

I tried many different ointments, lotions
and other remedies but they did not help
me so I purchased a box of Cuticura Soap
and Ointment and used them. I put the
Cuticura Ointment on at night and washed
it off in the morning with the Cuticura Soap.
They gave me relief at once and the cure
was complete in a month." (Signed) Miss
Beatrice Cole, July 30, 1913.

TO REMOVE DANDRUFF

Prevent dry, thin and falling hair, allay
itching and irritation of the scalp, remove
crusts and scales, and promote the healthy
condition necessary to produce a luxuriant
growth of hair, frequent shampoos with Cu-
ticura Soap, assisted by occasional dressings
with Cuticura Ointment, afford a most ef-
fective and economical treatment. A single
set is often sufficient when all else fails.
Cuticura Soap (25c) and Cuticura Oint-
ment (50c) are sold by druggists and dealers
everywhere. Liberal sample of each mailed
free, with 22-cp. 35c. Book. Address post-

ness known as "Amusement Gar-
den" within the corporate limits of
the City of Phoenix shall pay a
quarterly license tax of \$25.00.

Section II. For the purposes of
this Ordinance "Amusement Gar-
den" shall be defined as any private park,

City Recorder.

ents and friends that ever gathered
in Tempe to witness the exhibition of
school children, congregated yester-
day morning on the high school cam-
pus to share in the spring festival.
There were over two hundred chil-
dren in the festival activities, rang-
ing from the small tots of the first
grades to the eighth grade pupils of
the grammar school. They took part
in drills, songs, dances and Maypole
windings, presenting a program that
extended from 9:30 to nearly noon.
There were many features of the
program worthy of special comment,
but the Maypole winding was possi-
bly the best of the drills.

One of the attractive features of
the entire festival was the costum-
ing of the humber bee, the various
flowers, the May Queen and her at-
tendants. Miss Maud Wilson, of the
grammar school staff, had charge of
this division of the work and the
splendid effect produced was the
source of much favorable comment.

BRASS BAND FOR TEMPE

A good live band for Tempe is
now practically assured, according to
the report of the secretary of the
local band organization. A number
of local men interested in music, and
seeing the need of a body of mus-
icians for this town have been busy
for the past week or two organizing
and perfecting a brass band. As it
now stands there will be fifteen
pieces in the organization—enough to
make good live music for special
occasions. The players are:

Joe Cosner, piccolo; A. Griffin, A.
Miller and A. McCreary, clarinets; P.
Oviedo, B. Finch and C. Urbano, cor-
nets; Chris Sigala, baritone; F. Ovi-
do, solo trombone; G. White and B.
Valenzuela, altos; E. Stacy, mello-
phone; Al Christensen, tuba; L. Weir
and L. Azedo, drums.

Active practice has been already
started and will be continued until
such a time as the band becomes
proficient enough to appear in public
concerts. The most of the above
players, in fact all but one, are old
hands at the business, having been
members of the old Tempe Mar-
chants' band, and with the old play-
ers at hand they will be able to ap-
pear soon. The band expects to give
Sunday afternoon concerts and play
for other occasions.

Officers have been elected: G. R.
Finch, manager and treasurer, and
Chris Sigala, secretary. A committee
of finance, E. Stacy and P. Oviedo,
has been appointed and it will be
their duty to see that the necessary
music is furnished the organization
as well as incidental expenditures.
The exact course of the finance com-
mittee is not public yet, but they
will hit upon some plausible plan.

BOARD OF EDUCATION
ASKED FOR ASSISTANCE

More Money Is Needed to Secure Ex-
perimental Farm Selected By
Board of Regents

At a mass meeting consisting of
between forty and fifty representative
men of the Mesa section at the
Union High school assembly room
Thursday evening it was decided to
ask the board of education to lend
their financial assistance toward
purchasing the site for the agricul-
tural experiment farm to be located
west of the city on the Standage
and Wist tracts.

Dan P. Jones was selected as
chairman of the meeting. Don C.
Babbitt presented the following resolu-
tion which was adopted unani-
mously.

"Be it resolved by the electors of
the Mesa Union High school that we
recommend that our High school
board lend their financial assistance
as far as they may legally do so, in
bringing about the consummation of
the purchase by the regents of our
state university of the proposed state
agricultural experiment farm adja-
cent to Mesa.

The resolution when put to a vote
was passed unanimously. It was re-
ported that there was one individual
who did not vote and when asked
why he did not rise in favor of the
question replied that he had not pur-
chased land yet, but that as soon as
he did so that he would like to
record his vote in favor of the propo-
sition.

DISPOSED OF RANCH

Chas. Gans, who owned a forty
acre tract all in alfalfa three miles
east of town on the Standage line
road disposed of his holdings yester-
day to Chas. Mack for \$7000 cash.

FIRE SALE ATTRACTS CROWD

The fire sale at the Congers Dry
Goods place of business was the real
excitement of the streets yesterday.
The doors were opened at nine
o'clock and the crowds rushed in to
such an extent that the doors were
closed until the first rush was over.
The clerks were totally unable to
care for the people for a while on
account of the mad scramble for the
articles on sale which had passed
through the fire.

DEATH OF RALPH D. WHITTLE

The funeral over the remains of
Ralph D. Whittle, born in England,
in 1833, was held yesterday afternoon
at the Burton Undertaking parlors
under the direction of Rev. Mr. Forsythe
of the Baptist church with Interment
in the Mesa cemetery. The deceased
was the first principal of the St.
Paul's church in Baltimore, an educa-
tional institution starting in the days
of the civil war and from which
many men, since distinguished, were
graduated. He came to this place
from Los Angeles about two months
ago. He was accompanied by his
son's daughter, who was with him at
the time of his death. While he was
only in the city a short time he was
known to a few as an educated gen-
tleman of the old school. He was
extraordinarily well preserved men-
tally for one of his years.

CANDIDATE FOR SUPERVISOR

In mentioning the candidates for
the various city officers the Repub-
lican correspondent neglected to men-
tion the name of J. W. Horsley for
street supervisor. No election would
be complete without Mr. Horsley be-
ing a candidate for street supervisor
nor would the city seem the same if
he were not connected with the street
working in some capacity. He has
been with the department, either as

sprinkler or supervisor for a good
many years.
